➤ About Me:

Cybersecurity Intermediate, Content Creator, and Ethical Hacker with over 1+ years of experience with an interest in offensive security, automation, and bug bounties.

I enjoy my time working with networks and computer systems to keep up with the basics. I am well-organized, hard-working, and responsible. I am a life-long learner.

➤ My Projects:

This is my website, this site has CTF solutions like TryHackMe, HackTheBox, and more:

- My website: <https://mrowido.github.io/>
- My GitHub profile: <https://github.com/MroWido>
- My LinkedIn profile: <https://www.linkedin.com/in/MroWido>

And a few tools I've developed:

- <https://github.com/MroWido/otorecon>
- <https://github.com/MroWido/bff-subdomains>
- <https://github.com/MroWido/parameth>
- <https://github.com/MroWido/dnmascan>
- <https://github.com/MroWido/EndPoint-Finder>
- <https://github.com/MroWido/crtsh.py>

➤ Work Experience:

- I don't have work experience.

➤ Education:

- 2022 Anadolu University - Economics
- 2022 Anadolu University - Information System Management

➤ More About Me:

- Turkish: Native Language, English: Intermediate Level
- I have advanced knowledge of HTML5 and CSS3. I have intermediate Python and basic JavaScript knowledge.
- I am interested in everything computer related. Every subject interest me and I want to learn all of them. Other than that, I love video games, I like to watch movies, Tv series, and often basketball. I occasionally read books.
